Re: 033-17882
Revocation of MSOP
Permit No.: 033-14677-00071

Dear Mr. Mereness,

The letter from Lippert Components, received on August 25, 2003, has been reviewed. This letter requested that MSOP No. 033-14677-00071 be revoked. The reason for this revocation request is that the source has ceased operation of the facility on August 1, 2003.

Pursuant to rule 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of this article. Since the plant is no longer in operation, the MSOP will be revoked.

If there are any questions about this revocation, please contact Madhurima Moulik at (317) 233-0868 or call (800) 451-6027, extension 3-0868.

Sincerely,

Paul Dubenetzky, Chief
